# Southend-on-Sea General Hospital

## ANNUAL REPORT FOR THE YEAR ENDING 31st DECEMBER, 1937.

The Board have the honour to present their fifth Annual Report.

### *Statistics.*

	1934	1935	1936	1937
Patients treated :				
In-patients .. ..	3,644	3,907	4,524	4,663
Out-patients :				
New cases .. ..	17,601	17,157	17,854	18,804
Attendances .. ..	83,218	85,684	69,624	68,413
Average stay of general ward patients (in days) .. ..	20.77	19.58	16.54	16.22
Average number of beds occu- pied daily .. ..	204.35	206.94	204.50	206.50

The remarks which were made last year in explaining the Statistics could be applied practically unchanged this year : available accommodation has been used to the utmost. In other words, the Hospital has reached its in-patient limits with the present number of beds. There was again an increase in the number of new patients seen in consultation in the Out-Patients Department, and a decrease in the total number of attendances is to be noted with satisfaction. In referring to the consultative system the Board desire to thank all the General Medical Practitioners in the area, for without their co-operation success would be difficult.

### *The Private Wards.*

	1934	1935	1936	1937
No. of patients .. ..	368	374	380	398

Last year the demand upon these beds fluctuated a good deal, but this year it has kept at a constantly high average : many cases could not be admitted through lack of accommodation. Repeated requests are received for information about the possibility of intro-

ducing a scheme for those of higher incomes than apply to the Provident Fund and the Hospital Saving Association, and we regret having to reply that no progress has been made in that direction during the year.

There is a serious gap to be filled for those persons who are not eligible for the general wards and cannot afford full private fees. In an Outline of Policy, to which reference is made in this Report, the Board have undertaken to give this question early consideration.

#### FINANCE.

There is an excess of income over expenditure on the year's working of £1,011 : for the first time the Hospital has paid its way upon maintenance account. There was a deficit of £1,611 last year, of £2,436 in 1934 and £5,090 in 1935.

How has it been done ? Governors are asked to turn to the statement of accounts beginning on page 26 and examine the figures very carefully. Expenditure at £47,069 is £1,932 more than in 1936. Surgery and Dispensary disbursements are up by £550 ; apart from a general rise in prices, this increase is due to the greater number of cases dealt with in the X-Ray Department, and to frequent introduction of new and expensive remedies : the cost of anæsthetics alone was £600. The increase in costs goes hand-in-hand with increase in efficiency. Establishment charges are £580 more, owing to extensive re-decoration and to the conversion of sterilisers throughout the Hospital from gas and electricity to steam.

Salaries and wages are down, but the lower figure of Nursing salaries is due to the salaries of the two district nurses being offset by the amount collected for their services : actually Nursing salaries have been slightly increased.

The costs are more closely analysed on page 32, where it will be seen that the cost per week of treating each patient, in spite of the rise in prices, has increased only 2s. 1d. Governors are reminded, when comparing these figures with other hospitals, that the more comprehensive the range of Hospital services the greater must be the cost ; it is a question of standards of comparison.

The income increased from £43,525 to £48,081, thanks to gifts of £1,000 each from Mr. F. F. Ramuz and from Mr. and the late Mrs. A. C. Loury, and to the sustained support of those Organisations, Societies and individual contributors to which detailed reference is made later in this Report. It has been an exceptional year, but it will be realised that Voluntary Hospitals do get delightful surprises from time to time, which compensate for the years, when, despite every effort, a deficit has to be declared.

The sum of £6,000 from the Carnival, £1,825 from the Ladies' Working Party, and £10,110 in donations and subscriptions—apart from the two gifts mentioned above, place Southend high up in the list of those Voluntary Hospitals which obtain a considerable part of their income from voluntary contributions.

In the year 1938 increased expenditure will have to be faced. Four more nurses have been appointed to the permanent staff in order that an improvement may be made in the working hours and off-duty times ; a resident anæsthetist has been appointed, making a total resident medical staff of eight, and there are costly renewals to be faced in the X-Ray and Massage Departments. On the income side there is no Bazaar in prospect and there is no great increase probable in the assured income from investments and contributory schemes.

But 1938 is the Jubilee Year of the Voluntary Hospital movement in Southend, and the Board will take the opportunity when celebrating the Jubilee of pointing out the urgent need for funds both on maintenance and capital accounts.

#### THE PROVIDENT FUND.

Detailed statements of account are given on page 56.

The gross income increased by £924 to £10,667 and there were 20,741 members on 31st December, 1937, compared with 18,424 at the beginning of that year. The actual amount received by the Hospital is less than last year. This is due to the increasing extent of relief from payment granted to members and dependants who

receive treatment in other hospitals because of our own lack of accommodation. In 1936 that sum amounted to £1,743, in the year 1937 it rose to £2,200.

The Contributory Scheme is recognised by many employers to be of great value from a welfare point of view, and facilities are given for the enrolment of the staff and collection of the contributions through the wages sheet. This system has been sanctioned by the Treasury for Government employees and is followed by many municipal authorities throughout the country.

It would be an immense boon and an excellent example if the largest employers in the Borough (the Southend Corporation) would adopt this system for their staff.

The Board are pleased to record their appreciation to Howard's Dairies, Ltd., and Marks & Spencer, Ltd., who add a donation to the contributions of their staff, and to the Kursaal Estates, Ltd., who pay the contributions for the whole of their staff, and most gratefully acknowledge the services of the Contributory Schemes Committee, Honorary Group Secretaries, Depot Collectors, and others who have helped in the development of the contributory method of voluntary hospital assistance in this area.

#### DISTRICT NURSING.

The Hospital's two District Nurses have answered all the calls made upon them, dealing with 289 patients and making 9,449 attendances. £214 has been collected from patients, which has gone some way towards meeting the cost of the service. About 30 per cent. of the total patients were "free cases."

#### THE WAITING LIST.

The number rose to 429 at one time during the year : the average was 370. This number would have been much higher but for arrangements made to carry out certain examinations in the out-patients department upon patients who would formerly have been admitted to the wards for short periods.

There is no appreciable improvement, however, in the position, non-urgent cases having to wait two, three or four months before a bed becomes available. We are at present in the unhappy position of not being able to forecast within several weeks the time of probable admission. The plain fact is that more beds are needed to cope with the demand, for although from a medical point of view a patient's condition may not be urgent, it is very frequently serious and urgent domestically.

#### SPECIAL CLINICS AND TIME SAVING.

It has not so far been found practicable to introduce a complete out-patient appointments system.

A good deal has been done, however, to reduce the irksome waiting time by means of special clinics where patients—as with the majority of out-patients in regular attendance—are given a definite hour for attendance, and where treatment is systematically and expeditiously carried out.

#### CONGRATULATIONS TO THE MAYOR AND MAYORESS, ALDERMAN H. A. AND MRS. DOWSETT.

The Board conveyed the heartiest congratulations and good wishes of Governors to Alderman H. A. Dowsett, J.P., on his election as Mayor for the second time. Governors will hardly need reminding that it was during Alderman Dowsett's first Mayoralty, in 1926, that the New General Hospital Fund was constituted. Alderman Dowsett was Chairman of the Board of Management, 1934-1935, and has been one of the three Honorary Treasurers throughout the period of the New General Hospital Fund and of the Hospital itself.

#### THE ORDER OF FRIENDS.

There are now 1,200 members, each subscribing a guinea or more yearly. The object of the Order is two-fold : to obtain more members and annual subscribers, and to keep all subscribers actively interested and well-informed in the work of the Hospital. In this they have succeeded by means of social events and lectures which have been given at the Hospital by members of the Medical Staff.

The Vice-Warden, Mr. W. J. Martin, the Honorary Bursar, Mrs. W. J. Wood, and the Counsellors are to be congratulated upon their work among members, and in having handed over £5 17s. 6d. as a result of Whist and Bridge evenings.

## THE CARNIVAL.

Year by year these reports include a tribute to the work of the Carnival Association, which, since 1926, has raised £55,000 for the support of hospitals in Southend. This year £6,000 was handed over, leaving only a small balance in the hands of the Association for the promotion of the next Carnival.

Councillor Alec White, the Officers, and the Committee, and all the workers of Carnival deserve the heartiest congratulations and thanks of the Governors for the magnificent result of their efforts.

No more appreciated service could be rendered by Governors than by becoming patrons or members of the Carnival Association. The Association has now opened attractive new Headquarters in Nelson Street, Southend, which should prove a big factor in building up the membership. All particulars will be supplied on application to Mr. W. G. Antrobus, the Honorary Secretary.

## BLOOD TRANSFUSION SERVICE.

This vitally important service has been re-organised, and, in addition to supplying donors for the General Hospital, is now available for all patients in this area who need blood transfusion, whether in Hospital, Nursing Home, or private house.

The Hospital's own requirement is increasing and with the extension of the service more volunteers are needed. It is hoped that Governors will turn to page 46 and, if possible, complete the enrolment form.

## OUTSTANDING GIFTS.

*Mr. F. F. Ramuz.*—Mr. F. F. Ramuz, J.P., of "Shorefield," Westcliff-on-Sea, gave £1,000 through the Sportsmen's Appeal Fund to name two beds in the Sportsmen's Ward :—

*"Frederic Francis Ramuz, Esq., J.P.,  
Mayor of Southend-on-Sea 1898-1900"*

and

*“ Marie Elizabeth Ramuz,  
Wife of Frederic Francis Ramuz, Esq., J.P.”*

His gift gave the utmost satisfaction to the Board and to Mr. J. C. Moss and others connected with the Sportsmen's Appeal Fund. Previous reference to this gift was made when explaining the Hospital's financial position.

*Southend-on-Sea Estates Company.*—In celebration of the Coronation the Southend-on-Sea Estates Company made further contributions of £350 towards the Extensions Fund of the Nurses' Home of the Hospital, and £100 towards new equipment for the Dowsett Ward. Both gifts were heartily appreciated.

*Mr. A. C. Loury.*—One of the most pleasant surprises provided by the Ladies' Working Party Bazaar was that, during the course of the Bazaar, Mr. A. C. and the late Mrs. Elizabeth Loury attended, and to mark the 80th birthdays of both of them handed over the sum of £1,000 in order to name two beds in the Hospital, one in the “ Victoria ” Ward and one in the “ Sportsmen's ” Ward, each bearing the inscription :—

*“ The A. C. & Elizabeth Loury Bed.”*

Your Board deeply regret to report the death of Mrs. Loury later in the year.

Mr. A. C. Loury, in July of the same year, handed over £5,000 Preferred Ordinary Stock of the Southern Railway for the purpose of naming a Ward in the Hospital as a memorial to his late wife. The women's medical ward was named in perpetuity the “ Elizabeth Loury Ward ” and a tablet commemorating the gift was erected in the ward and unveiled by Mr. Loury himself on 24th August.

The tablet bears the following inscription :—

*“ The Elizabeth Loury Ward.*

*This Ward was named by gift in July, 1937,  
by A. C. Loury, Esq., Mayor of the Borough  
of Southend-on-Sea 1904-05, for many  
years a Trustee and Life Governor of the  
Victoria Hospital, Southend, to the memory  
of his wife and to commemorate the life-long  
interest he shared with her in the Voluntary  
Hospital Movement.”*

*Further Naming of Beds.*—The “ James Heddle & Sons ” Bed was named by gift and the tablet unveiled by Mr. James Heddle on 28th October. The “ Major Sidney Partis Borman ” and “ Eleanor Louise Borman ” Beds were named by the Executors of the late Major Borman and the tablets unveiled by Mrs. Stimson.

The “ Albert Edward and Lydia Isabel Day ” and the “ Emily Marion and Frederick James Scott ” Beds were named by bequest.

Mrs. de Villiers gave £250 to name the “ J. N. de Villiers Cot ” in the Emmanuel Ward.

For all these gifts we desire to express again our heartfelt thanks.

#### THE HOSPITAL LADIES' WORKING PARTY.

Mrs. Gordon Hopkins and the Officers, Committee and members of the Ladies' Working Party are to be heartily congratulated upon the success of the Bazaar, which realised £1,825.

Established events such as this are sometimes taken for granted and their regular proceeds received without proper understanding of the labour involved : it takes two years of hard work on the part of several hundred members to prepare for each Bazaar. There are always gaps to be filled in the membership, and a special appeal is made this year for new members and workers who will give time and service to this good cause.

#### THE EMMANUEL COMMITTEE.

Once again the Board sincerely acknowledge the good work done by this Committee and those who support them. Besides handing over £261 direct for maintenance purposes, many contributions in kind were sent to the Ward, including a practically complete Christmas Dinner for all the little patients!

All Governors and friends are cordially invited by the President, Mrs. A. G. Rita, to attend the Annual Summer Sale on 22nd June, in Crowstone Church Hall, which His Worship the Mayor, Alderman H. A. Dowsett, has promised to open.

#### HOSPITAL SATURDAY COMMITTEE.

The Annual Street Collection organised by this Committee took place on Saturday, 5th June, in fine weather. Once again a large number of volunteers came forward to collect in the Borough and nearby district, and as a result the splendid sum of £416 was received by the Hospital after all expenses had been met. To the Chairman, Mr. E. Cecil Jones, the Committee, and everyone who helped, the Board offer hearty congratulations and best wishes for success in their aim to reach the £500 mark this year.

It is hoped that the favoured day this year will be Saturday, 11th June.

#### LOCAL HEBREW CONGREGATION EFFORT.

Under the chairmanship of Mr. I. J. Dinkenor, assisted in the organisation by Mr. A. Marks and Mr. A. Goodman, the Jewish Hospital Committee gave a Dinner and Ball at the Palace Hotel on 30th October in celebration of the Coronation. During the Dinner the Chief Rabbi, Dr. Hertz, and others appealed for gifts, and a total sum of over £500 was received in response.

Your Board most warmly thank and congratulate the members of the local Hebrew Congregation for this splendid contribution, and record with pleasure that a bed will be named to commemorate the event.

#### BOX COLLECTIONS.

The Board are particularly pleased to be able to report an increase in the amount received through the efforts of Mr. J. W.

Oglesby, the Honorary Box Collector. Mr. Oglesby has carried this work on for many years, and the Board are fortunate in having him as a colleague. This amount—£319—would be collected in no other way than by the regular personal visits he makes to all box-holders.

#### LINEN LEAGUE.

Once again the Board record their most grateful thanks to the Officers and Members of the League for the work they have done during the year and since the opening of the Hospital. Members will see that “Gifts in Kind” in the statement of Income and Expenditure amount to £546 11s. 10d. A very large part of this is in respect of goods received by the Hospital direct from the Linen League. The Board are particularly pleased to record the extension of the League to the districts surrounding Southend from which patients are drawn.

#### PUBLICITY IN 1937.

The *Pictorial News* was issued twice during the year—in July, when particular attention was directed to the Carnival, and again in December, when the issue was combined with a Christmas Tree Appeal. 50,000 copies were printed and distributed voluntarily throughout the Borough and District, and the Board extend most grateful thanks to the distributors, collectors of Christmas Trees, those who contributed articles, and to the advertisers who made the issue possible.

#### NURSING STAFF.

The staff numbered about 112 throughout the year. From 1st January, 1938, this number will be increased by four so that in future all nurses in training may be given one clear day off every week. The following changes have taken place among the senior staff:—

Miss A. Tinker, who had been Home Sister since the opening of the Hospital, left on February 26th, 1937, to take a Matron's post at Wisbech.

Miss D. Hall, who had been Night Sister since the Hospital opened, was promoted to Home Sister on that date.

Miss E. Ansell was appointed Sister of Private Patients' Ward on January 29th, 1937, when Miss Pidd left to take a post in London.

Miss Davies entered on February 8th, 1937, as Night Sister.

Miss D. Kingsbury was appointed Theatre Sister on September 12th, 1937, when Miss Ram left to be married to Mr. S. L. Spencer, formerly Surgical Registrar at the Hospital.

The death in Hospital of Nurse Nash on 12th February, 1937, was deeply regretted.

During the year five Danish Nurses entered upon a Post Graduate Course through the College of Nursing :—Miss Inga Pultz, Miss Hoppe, Miss Schon, Miss Larsen, Miss Korsgaarde.

The Hospital Examinations were held in April and November.

*Final Year—April, 1937 :—*

9 Candidates. N. Fairclough and N. West obtained First-Class Honours.

*November, 1937 :—*

9 Candidates. N. McHattie and N. Kay obtained First-Class Honours.

Miss M. H. Gammie, A.R.R.C. (Examiner to General Nursing Council) kindly came and examined the Finalists in April and November in practical work. Mr. Rodney Maingot and Dr. Sleigh Johnson set and corrected the papers in surgery and medicine, and also took the *viva voce* examinations.

*State Examinations, 1937 :—*

13 Nurses passed the State Preliminary Examination.

18 Nurses passed the State Final Examination.

*Prize Giving :—*

Lady Iveagh kindly came and presented the Hubbard Gold Medal and Prizes and Certificates on May 7th, 1937. Miss Isabel Garlick was the Gold Medallist. Lady Iveagh addressed the Nursing Staff, and Matron gave her Report and thanked the Board, the lecturers, and donors of prizes.

The tennis cup for Singles ("Mrs. J. W. Burrows" Cup) is held by Miss Inga Pultz, a Danish post-graduate nurse, who was very proud to beat her English colleagues. The "Alderman Frith" Doubles cup is held by Miss Utting and Dr. J. H. Fisher.

### *Bazaar :—*

The Nurses' Stall brought in a total of £143 1s. 6d. of which £85 was raised in the Hospital before the Bazaar opened, being a record.

### *Pound Day :—*

The Annual Pound Day was a greater success than ever. £24 was given in money, and goods valued at over £100 came from the Schools and from patients and their friends, including 144 lbs of tea and nearly 1½ tons of sugar !

### CELEBRATING THE JUBILEE—1888-1938.

The Victoria Hospital was opened in May, 1888, and the Board feel that the fiftieth anniversary of the Voluntary Hospital Movement in Southend should be marked by some form of celebration in which everyone interested in the work may join. The programme is not yet finally approved, but it is suggested that the Hospital shall be Open on Saturday, 28th May, to all Governors and Supporters. On Sunday, 29th, a combined religious service will be held at St. Mary's, Prittlewell. Two tablets will be unveiled on Monday, 30th May, one commemorating the Jubilee Anniversary and the other setting out the accomplishment of the Carnival Association, and on Tuesday, 31st May, there will be a Medical Meeting. There will also be an event designed to give the school children some understanding of the significance of the Jubilee.

### STAFF CHANGES.

Miss M. D. Wilson, formerly on the Staff of Merseyside Hospitals' Council, succeeded Miss McMicken as Appeals Clerk.

Miss G. C. Fooks succeeded Miss H. Shearme as Radiographer.

### PETER PAN AVENUE.

Among the most attractive Appeals was that for the naming of trees in the approach to the Children's Wing. Over seventy gifts of £5 each were received, and the trees were planted and named at a ceremony on 20th November. The trees are red, white, and pink flowering cherries and will form a delightful avenue—in which there is still some room to spare.

Two little ex-patients planted trees anonymously, and the Peter Pan Tree was given by the Hospital Staff.

### THE SAMARITAN LEAGUE.

The League are justifiably proud to think that their insistent requests for better transport facilities to the Hospital, supported by various organisations in the Borough, have at long last borne fruit. A service now connects the north and south of the Borough, passes along Prittlewell Chase, and extends as far as Rayleigh. Many patients, and friends visiting them, have found this a great convenience, as have members of the Staff. It is hoped that in due course a similar service will directly connect High Street with the vicinity of the Hospital.

Mrs. J. A. Francis, who had been a member of the League since its inception, and later its Honorary Secretary, was obliged to give up during the year on account of ill-health. Mrs. Francis rendered many services in this good work, for which the Board make grateful acknowledgement to her, and all those associated with the League.

Mr. C. G. Pearson has now become Honorary Secretary and he will be pleased to hear of those willing to enrol as voluntary transport workers.

### TELEVISION—ARMISTICE DAY.

Through the kindness of Messrs. E. K. Cole, and Mr. W. S. Verrells, who lent the set, over forty patients and many staff were able to see the Armistice Service by television. Reception was very clear, despite the large number of cars coming in and out and the proximity to electrical apparatus.

#### MEMORIAL TABLET.

On 10th March, 1937, a tablet was unveiled in the Sportsmen's Ward to the memory of Captain de Forest Morehouse. The late Captain Morehouse, apart from a personal donation of £1,000 to the Building Fund, had given money for the laying out of the grounds. The tablet was unveiled by Mrs. Morehouse and dedicated by Rev. C. E. Middleton. The tablet reads :—

*In Memory of a Sportsman,  
De Forest Morehouse.  
A Tribute by his Friends.  
Erected in the Hospital to which  
he was a generous benefactor :  
1934.*

#### PROVIDENT FUND RALLY.

The largest Hospital meeting ever held in Southend took place at the Astoria Cinema on Sunday, 21st March, when the Provident Fund organised a rally of members, which was addressed by Mr. Henry Channon, M.P. It is proposed to organise a meeting on similar lines in 1938.

#### HONORARY CONSULTING SURGEON.

Your Board are pleased to report the appointment of Mr. Wilfred Trotter, F.R.S., F.R.C.S., in succession to the late Lord Moynihan. Mr. Trotter's name is known throughout the land, and the Hospital is honoured by his acceptance of the post of Honorary Consulting Surgeon.

#### HONORARY VISITING MEDICAL STAFF.

There has been no change in the Staff during the year.

Mr. G. C. Knight, F.R.C.S., was appointed Honorary Consulting Neurological Surgeon in January, 1938.

#### RESIDENT MEDICAL STAFF.

Dr. J. H. Fisher, M.B., M.R.C.P., was re-appointed Medical Registrar for a further year, and Mr. G. Stafford Mayer, F.R.C.S., succeeded Mr. S. L. Spencer, F.R.C.S., as Surgical Registrar on 1st August, 1937. Mr. Spencer carried with him the good wishes of the Board and the Staff on his return to Australia, and upon his marriage to Miss Ram, the Hospital's first Theatre Sister.

## CLINICAL EVENINGS.

Once again the Medical Committee have arranged a series of clinical demonstrations during the winter months. General medical practitioners have shown a keen interest throughout—reflected in an average attendance of over forty. The Board are pleased to have been able to give facilities and hospitality to the Medical Committee for this purpose.

## SOME IMPROVEMENTS.

The balconies of the Elizabeth Loury and Private Wards have been enclosed with loggia doors, which has added a good deal to their usefulness. The Board have before them proposals that other wards shall be similarly treated.

A glass roof has been erected over the balcony of the Emmanuel Ward.

Work has started upon a scheme for the improvement of facilities for treating private patients in the Department of Physical Medicine. A small building is being added and the existing rooms re-divided so as to give a consulting room, a waiting room, and three treatment rooms. The new department has a separate entrance which will be available also for the infirm patients brought up for treatment by the Samaritan League workers.

All the main carriageways have been thoroughly repaired, re-surfaced, and, in parts, widened, during the year, and a scheme has been approved for adding to the car parking facilities. In this connection your Board are indebted to Mr. A. S. Culham for advice and supervision.

## LOOKING FORWARD—THE EXTENSIONS POLICY.

By the time this Report reaches the hands of the Governors a Special Meeting will have been held to consider what can be done to provide the additional accommodation necessary to cope with the waiting list of patients. We have a dual responsibility, firstly, to keep the Hospital up to date in every way, and to raise the funds—approximately £47,000—to carry on the work for a year; and, secondly, to make the services of the Hospital available to a greater

number of patients. In the latter case, the annual cost will increase, but it will not increase in proportion to the amount of work of which the Hospital is capable. Something like a hundred beds could be added without substantial additional administrative or central services expenditure.

Every effort will be made to increase the usefulness of the Hospital, and we would rather bear reproaches to-day for a too insistent appeal for funds than the reproach of a future generation that opportunities were neglected of giving the public vital medical service.

#### SERVICES RENDERED.

It is not possible to pay adequate tribute to the many acts of kindness shown to the patients and staff of the Hospital, but among those we must specially mention are :—

The Hon. Wireless Officer, Mr. H. H. Burrows, J.P., and members of the Southend Radio Society who originally equipped the whole Hospital with Wireless and attended regularly to the maintenance of this indispensable service.

The Highlands and Leigh Heath Townswomen's Guild, who carry out the whole of the work connected with the Hospital Library, including the supplying of books and their issue to the patients.

All those, particularly the school children, who contributed to Pound Day.

Mr. Arthur Keeling, F.R.H.S., who supervises the grounds, including the tennis courts and hockey field.

The Proprietors and Editors of the Local Press.

Mr. J. G. Drysdale, M.A., the Honorary Solicitor.

Mr. H. Langdon Dowsett, F.S.I., F.A.I., the Honorary Surveyor.

The Honorary Chaplains, the Ven. E. N. Gowing, M.A., Archdeacon of Southend, the Rev. R. Kennedy, and the Rev. Canon P. McKenna, for their labours at all times for patients and staff alike, and to the Choir who assist with the services.

The Ladies who give regular assistance at the buffet in the Out-Patients' Department, and those who assist from time to time in the Wards, including the members of the V.A.D. and the British Red Cross Society.

All those who so readily give blood for transfusion, making it possible to alleviate suffering and actually to save life.

The Civic Guild of Help.

The Ministers and Congregations of the Churches who make an annual collection and render much valued assistance in many other ways.

#### STAFF.

In conclusion, the Board pay a warm tribute to the good work of the Honorary Medical Staff, the Nursing Staff, the Resident Medical Staff, and the Administrative Staff. Their loyal co-operation and unstinted personal service have done much to increase the prestige of the Hospital.

On behalf of the Board of Management.

# WILL YOU PLEASE HELP THE HOSPITAL IN 1938?

# HOW SUBSCRIBERS MAY HELP THE HOSPITAL WITHOUT EXTRA COST TO THEMSELVES

On any person agreeing to pay the Hospital an annual sum from his taxable income for a period of seven years, or during life, whichever period is the shorter, the Hospital may add the income tax to the subscription and recover the tax from the Revenue. At the present rate of tax the addition will be one-third of the subscription.

For example :—

	£	s.	d.
Subscription .. .. .	1	1	0
Tax recovered by Hospital (at present rate of 5s. 0d.) .. .. .		7	0
	<hr/>		
Amount Credited to Subscriber .. ..	£1	8	0
	<hr/>		
Subscription .. .. .	5	5	0
Tax recovered by Hospital (at present rate of 5s. 0d.) .. .. .		1	15
	<hr/>		
Amount Credited to Subscriber .. ..	£7	0	0
	<hr/>		

It will be seen that if all Subscribers who pay Income Tax would enter into agreements the Income from subscriptions would be increased by one-third.

The Hospital is in great need of Annual Subscriptions and it is hoped that this form of making an annual gift will appeal to many who hear of it for the first time through this Report.

N.B.—Provision is made in the Agreement whereby in the event of death of the Covenantor before the expiry of the seven years, his estate is not held liable for subsequent payments.

\* A Form of Agreement will be found in the inset to this Report.

# SAMARITAN LEAGUE

---

*President* : Mrs. Chalton Hubbard.

*Chairman* : Chalton Hubbard, J.P.

*Hon. Treasurer* :  
Edmund Stone.

*Hon. Secretary* :  
C. G. Pearson.

The Samaritan League, inaugurated in 1934, has for its object "The rendering of such help to the sick poor as shall make it possible for them to get the greatest benefit from Hospital treatment."

During the year 144 visits have been made by members of the League to patients in their own homes : this is to see that the recommendations of the Hospital Medical Staff, with regard to diet and other treatment are being carried out, thus ensuring that the greatest benefit is being derived from their Hospital treatment. Where the income of the family is very limited and the added expense is more than they can afford, extra nourishment in the form of eggs, butter, milk, etc., has been provided out of the funds of the League.

Grants of money have been made to help patients to purchase surgical instruments and appliances, surgical boots, etc., and also to pay the fares of necessitous patients, when it has been impossible to provide the necessary transport by private cars.

The transport of patients to and from Hospital is a very important part of the League's activities as large numbers of patients would not be able to attend regularly if it were not for the members of the Samaritan League who assist in this direction. Last year 1310 journeys were made to the Hospital by the League's voluntary transport workers. Many patients expressed their appreciation of the services rendered, and some were able to send gifts of money to help the work along.

Offers of help in the work of the Samaritan League will be very heartily welcomed.

SAMARITAN LEAGUE.

# THE HOSPITAL AUXILIARIES

The Hospital can now count its friends in every part of the wide area it serves. Through the various committees that have been formed there is ample scope for all who are eager to give personal service and practical help, and a warm invitation to join one or more of the Auxiliaries is extended.

## The Carnival Association

Carnival this year will be held from August 13th to 20th, an extra Saturday being included for the first time. New workers and new suggestions are needed, and the Secretary will be pleased to hear from anyone who can help.

New and more commodious premises have been opened in Nelson Street, and it is hoped that all members of the Association, and other helpers, will take advantage of the facilities offered.

The membership subscription of the Carnival Association is 2s. 6d. per year.

Chairman : COUNCILLOR ALEC H. WHITE, J.P.

Hon. Secretary : W. G. GILBERT ANTROBUS.

Carnival Association Offices : 18, Nelson Street, Southend-on-Sea.

## The Order of Friends of the Hospital

The pledge :—

“ We, members of the Order of Friends of the Hospital, solemnly pledge ourselves to work for the good of the Southend-on-Sea General Hospital. The advancement of the Hospital in its blessed work of healing sick people and alleviating pain shall be our earnest endeavour.”

This is the pledge of the Order of Friends of the Hospital. There are over 1,200 members each subscribing £1 1s. 0d. or more to the Hospital annually. The Warden is the Earl of Iveagh, C.B., C.M.G.; the Vice-Warden, Mr. W. J. Martin ; and the Honorary Bursar, Mrs. W. J. Wood ; and there are twelve Counsellors.

The Order introduces new subscribers, organises social events and lectures, and assists generally in the Hospital's work.

Please apply to the Secretary of the Hospital for additional information and membership forms.

## Hospital Saturday

The Hospital Saturday Street Collection took place on June 5th, and in some outlying districts on September 11th. The Committee handed £416 5s. 4d. to the Hospital after all expenses had been met.

It is hoped that the 1938 collection, on Saturday, 11th June, will be a record one, and the Committee will be glad to hear of anyone who would join them in making this intensive collection : there is a specially urgent need for more collectors.

This is one of the great events of the year and affords an excellent opportunity for those who desire to serve the Hospital in some way.

Chairman : E. CECIL JONES, M.C., J.P.

Secretary : MISS M. D. WILSON,

The Hospital Appeals Office,  
20, Warrior Square,  
Southend-on-Sea.

## The Ladies' Working Party

This is the Auxiliary responsible for the well-known Hospital Bazaar at the Kursaal, organised every other year.

Fortnightly sewing meetings, pleasant and informal, are held throughout the year at 20, Warrior Square, giving members the opportunity of meeting, but a good deal of the serious work is done at home. New workers are always welcome, and the Secretary of the Working Party would be pleased to hear from any lady interested in needlework, who would like to turn her hobby into a really practical piece of service for the Hospital.

President : MRS. L. GORDON HOPKINS,  
40, Ditton Court Road,  
Westcliff-on-Sea.

Hon. Secretary : MRS. C. W. BEALE,  
244, Southbourne Grove,

## The Hospital Linen League

The Hospital Linen League is continuing to increase in numbers and efficiency. There are now nine established branches, in Rochford, Hockley, Rayleigh, Shoeburyness, First Leigh, Thundersley, Benfleet, Pitsea, and Canvey Island, each with its Vice-Chairman, Hon. Treasurer, and Hon. Secretary, and each doing most excellent work.

Some 5,000 articles of Linen, etc., were sent to the Hospital last year, and it is hoped and expected that the number will be no less in the present year.

The Subscription as an Associate of the Linen League is 2s. 6d. annually and two pieces of Linen, which may be sent to the Hon. Treasurer, or to any Vice-Warden of the Committee.

Officers :—

President : THE MAYORESS.

Chairman : MRS. HENRY WHITE.

Vice-Chairman : MRS. JAMES TABOR.

## The Emmanuel Committee

A sewing party meets on alternate Thursdays at Cavendish Hall (2.20—5 p.m.). Preparations are now being made for the Summer Sale of Work to be held on the 22nd of June, and the proceeds of course go to the Emmanuel Ward. During 1937 the Ladies of the Committee raised £261 from social events and a Summer Sale.

Ladies who would like to identify themselves with the Children's Wing are warmly invited to write either to the President or to the Secretary of the Emmanuel Committee, who will be only too pleased to allot them work to do.

President : MRS. A. G. RITA,  
12, Prittlewell Square,  
Southend-on-Sea.

Secretary : MRS. W. J. WOOD,  
16, Galton Road,  
Westcliff-on-Sea.

## The Samaritan League

A report of the League's activities will be found on page 36, together with the Accounts and List of Subscribers for 1937. Additional helpers are required and the Hon. Secretary would be pleased to give further information.

Chairman : CHALTON HUBBARD, J.P.  
Hon. Secretary : C. G. PEARSON,  
80, Valkyrie Road,  
Westcliff-on-Sea.

# BLOOD TRANSFUSION SERVICE

NOTES FOR THE VOLUNTEER—Please retain this page.

1. Upon receiving a request to attend for transfusion please proceed to the Hospital or Nursing Home at once or at the agreed hour, by taxi if necessary. If for any reason you are unable to attend, after accepting the call, *please notify the Hospital immediately*, as it may make all the difference between life and death.

2. Please fill in the attached form, and forward it to the Hospital as soon as possible.

3. Always telephone the General Hospital, Southend 3383, if in any doubt.

## SOME QUESTIONS ANSWERED.

1. *Is it injurious to health?* It can be positively stated that there are no ill effects upon the health—in many cases the donor is better for it. All transfusions are carried out by skilled staff only.

2. *Must the donor possess exceptionally good health or physique?* This is not necessary; very few donors, ages ranging from 21 to over 60—men and women—have been found unsuitable, and then usually owing to smallness of veins. A donor is perfectly free to consult his own medical man as to his suitability for acting as a donor, but facilities are made for him to be specially examined without charge at the time of grouping, or at any time subsequently, should he have any doubts as to the advisability of his serving.

3. *Will the donor be called upon to act again, and if so, how often?* Yes, if he or she consents. The frequency depends upon the number of volunteers and the demand made upon their services. An interval of six months is usual, mainly for physical reasons.

4. *Are women eligible?* Yes, certainly.

## CONDITIONS.

1. Volunteer donors are called upon only when no suitable relative of the patient is available.

2. It is a voluntary service, and donations spontaneously given by patients or their relatives would be handed over to the Blood Transfusion Fund to defray expenses.

3. Every effort will be made to reimburse volunteers with any expense to which they are put in answering a Hospital call.

## MISCELLANEOUS INFORMATION

### Admission of Patients

Accidents and Emergencies are admitted at all times. All other cases, whether in or out-patients, are admitted only on the recommendation of a Medical Practitioner.

There are no subscribers' letters of recommendation ; cases are admitted according to the degree of urgency.

The general wards of the Hospital are reserved for those persons who cannot afford to pay for the medical treatment they receive, but all patients who are in a position to do so are asked to contribute towards the cost of their maintenance.

## VISITING REGULATIONS

### General Wards

The following are the days and times on which patients may be visited by their friends.

Adults	..	Wednesdays and Sundays, 2.30—4 p.m.
Children	...	Wednesdays and Sundays, for one hour as arranged by the Ward Sister (Parents and Guardians only).

Children under 14 are not allowed to visit the wards. Not more than two visitors are permitted to visit a patient at the same time.

Visitors who have been in contact with cases of infectious disease are asked to refrain from visiting the wards.

Patients on the danger list may be visited at any time.

## BEDS FOR PRIVATE PATIENTS

Twenty-one beds have been provided for the benefit of those persons who, while of limited means, are above the limit of income of patients generally admitted to a Voluntary Hospital, and also for those persons who need such special investigation or treatment as can only be given at a fully-equipped Hospital. They are arranged in four-bed, two-bed, and single rooms, and the Hospital charges are £4 4s. 0d., £5 5s. 0d., and £7 7s. 0d. per week respectively. Extra sums are charged for use of Operating Theatre, Pathological and x-Ray examinations, massage, and so forth.

Patients may be attended by their private medical attendant : the services of members of the Specialist Staff are, of course, available to them. All medical fees are a matter for arrangement between patient and doctor.

Patients may be visited daily between 2 and 4 p.m. and otherwise by special arrangement. Tea will be supplied to visitors if notice is given to the Sister in Charge.

Patients on the danger list may be visited at any time.
